AGRANELA

Agranela's long term commitment and main goal is production of high quality, healthy product that complies with international standards and regulations.

More than 90% of its production is exported, both in bulk and under their own label STELA PRUNELA, or under foreign customers PL requested.

Their parent company established back in 1992 as a predominantly export-oriented company, is engaged in a range of diverse activities.

In 2004, Agranela became an independent company fully dedicated to growing, manufacturing and processing of fruits, mostly plums.

Products:

- Pateurized, NON sorbated Prunes (pitted or unpitted) with long shelf life
- Conventional Prunes (pitted or unpitted) preserved
- Dried sour cherries

- Dried pears
- Chocolate coated prunes and apricots

2019 Superior Taste Award - Dried plum without preservatives product was awarded by International Taste Institute, the leader in taste evaluation and certification.

Standards and certifications: HACCP; BRC; IFS standard
